POL 017-2 Parent Agreement and Safe Passage Policy

Boys & Girls Clubs of Mid Central Coast (BGC MCC) has implemented a Parental Agreement and Safe Passage policy. This agreement is contained in our Parent and Member Handbook, which includes important information related to the rules, code of conduct, logistics, and policies of the BGC MCC. This handbook is given to every parent for review upon submission of member application. Two forms are required to be signed by every parent: Parental Agreement and Safe Passage Policy.

It is the responsibility of the parent to keep their information current and updated, especially contact information, emergency contacts, medications, and approved persons for member pick up.

Parents must agree and sign the Parental Agreement and Safe Passage Policy before members are allowed to attend any club activities.

Current Member applications are available on our website www.centralcoastkids.org.
